

IMPORTANT INFORMATION

**Please review the following information before completing the
Notice of Intent (NOI) for coverage under the Multi-Sector General
Permit (MSGP) for Stormwater Discharges Associated
with Industrial Activity**

Effective December 2002, ADEQ became the permitting authority for all NPDES permits within the State of Arizona (except for discharges to Indian lands). ADEQ uses the MSGP (MSGP 2000), written by EPA, as the Arizona general permit for stormwater discharges associated with industrial activity until a new permit is issued by ADEQ specific to Arizona (expected late 2004).

To apply for coverage under this MSGP, complete the [EPA Notice of Intent \(NOI\) Form 3510-6](#). Disregard Section C – Part 8a and 8b (Additional Facility/Site Requirements).

In addition, disregard the EPA instructions (page 2 of the NOI) under "Where to File the NOI Form." Instead, direct all NOI forms to:

**Arizona Department of Environmental Quality
Stormwater Program – Water Permits Section / NOI
1110 W. Washington Street, 5415B-3
Phoenix, AZ 85007**

Or fax to (602) 771-4674

Contact Shirley Conard at (602) 771-4632 for information on processing your NOI. For specific questions about stormwater permitting, call Dennis Turner at (602) 771-4501.
